OFF TO A GOOD START!

Lanciano (Italy) hosted the Kick-Off Meeting of the EcoArt project. Czech Republic, Turkey (2), Romania, Hungary and Italy joined the discussion (physically and online) and started the work to implement the project's activities and tasks.

The work on management was enhanced by exchange of good practices showing how art and creativity can be used to raise awareness on the environmental changes.

The partnership has programmed the next steps ahead, the deadlines and the 1st Learn-Teaching-Training Activity (LTTA), which will be held in Tulcea (Romania) from the 29th of August to the 4th of September.

A GREAT WORK AHEAD!
