Erasmus EcoArt Project

2020-4-CZ01-KA227-GCH-01043

Second LTТА

The general objective of the project was to raise awareness of environmental protection through creative activities and social media platforms. The second LTТА took place in April 2022 in Nagykanizsa and lasted 5 active days (18.04-22.04) and focused on storytelling resources.

The main activities were: digital applications through videos and photos, use of social media platforms in a correct way, how to spot fake news and awareness raising: "Environment with the eyes of the viewer".

Partner organizations:
Romania - Tulcea - Liceul Teoretic GRIGORE MOISIL;
Hungary - Kocs Károly Környezetvédelmi Egyesület ;
Turkey - Özel Aydınkent Fen Lisesi ;
Italy - Lanciano - TuFirst Onlus
Europeans, z. Czech Republic.

Third LTТА

The third LTТА happened in Turkey in Aydın and lasted 5 active days, from 5.09 to 9.09 of 2022, and focused on social media campaigns by using the info and skills from the previous LTТАs to carry out a media campaign to raise awareness of environmental issues. The main activities were: workshops, cultural visits, exchange of ideas and experience.

Partner organizations:
